ANALYSIS CERTIFICATE

I, the undersigned, Lise AGOPIAN-SIMONEAU, a medical doctor, BIOPHYDERM's medical and scientific director, certifies having done the study to assess the acute tolerance **by means of a test under dermatological control** of the following product :

COVERING FOUNDATION

Batch 10141, tested undiluted under N° 1363

This study is reported on **REPORT 631/0510-1-1363** and in the conditions of the protocol of the test retained between promotor and investigator, the results are the following :

GOOD ALLERGOLOGIC TOLERANCE

NO IRRITATING POTENTIAL

PCI - Abraded skin	0,20
PCI - Intact skin	0,13

The product **COVERING FOUNDATION, Batch 10141, MAQPRO, tested undiluted under N° 1363**, is, under the normal in-use conditions :

SAFE FOR USE ON HUMAN SKIN

"NOT IRRITATING"

Original duplicate certificate,
established at Montpellier, 10th June 2010
