ANALYSIS CERTIFICATE

I, the undersigned, Lise AGOPIAN-SIMONEAU, a medical doctor, BIOPHYDERM's medical and scientific director, certifies having done the study to assess the acute tolerance **by means of a test under dermatological control** of the following product :

LIPSTICK

Form. N° dvt 12249/3 - Batch 12250 - tested undiluted under N° 2000

This study is reported on **REPORT 752/1012-2-2000** and in the conditions of the protocol of the test retained between promotor and investigator, the results are the following :

GOOD ALLERGOLOGIC TOLERANCE

NO IRRITATING POTENTIAL

PCI - Stripped skin	0,37
PCI - Intact skin	0,20

The product **LIPSTICK - Form. N° dvt 12249/3 - Batch 12250 - MAQPRO, tested undiluted under N° 2000**, is, under the normal in-use conditions :

SAFE FOR USE ON HUMAN SKIN,

"NOT IRRITATING"

Original duplicate certificate,
established at Montpellier, 30th October 2012
